

NOTICE TO BLUE RIDGE, GOOSE CREEK, MONTICELLO, SANGAMON, AND WILLOW BRANCH TAXPAYERS: ASSESSED VALUES FOR 2023

Valuation date (35 ILCS 200/9-95): January 1, 2023
Required level of assessment (35 ILCS 200/9-145): 33.33%
Valuation based on sales from 35 ILCS 200/1-155): 2020, 2021, 2022

Publication is hereby made for equalized assessed valuations for real property in these townships in accordance with 35 ILCS 200/12-10. As required by 35 ILCS 200/9-210 and 35 ILCS 200/10-115, all assessments of property, other than farmland and coal are required to be assessed at 33 1/3 of fair market value. The following equalization factors have been applied to bring the assessments to the statutorily required three-year median level of 33.33%:

TOWNSHIP	FARMLAND (DOR CERTIFIED)	FARM/NON-FARM LOTS RESIDENTIAL IMPROVED & FARM DWELLINGS	COMMERCIAL	INDUSTRIAL
BLUE RIDGE	1.0000	1.0900	1.0900	1.0900
GOOSE CREEK	1.0000	1.0900	1.0900	1.0900
MONTICELLO	1.0000	1.0850	1.0850	1.0850
SANGAMON	1.0000	1.0500	1.0500	1.0500
WILLOW BRANCH	1.0000	1.0900	1.0900	1.0900

Pursuant to 35 ILCS 200/10-115, the Farmland assessments for the 2023 assessment year will increase by 10% of the preceding year's median cropped soil productivity index as certified by the Illinois Department of Revenue with data provided by the Farmland Assessment Technical Advisory Board resulting in a \$42.61 per acre increase for each soil productivity index.

Property in these Townships, other than farmland and coal, is to be assessed at a 33.33% median level of assessment, based on the fair cash value of the property. You may check the accuracy of your assessment by dividing your assessment by the median level of assessment. The resulting value should equal the estimated fair cash value of your property. If the resulting value is greater than the estimated fair cash value of your property, you may be over-assessed. If the resulting value is less than the fair cash value of your property, you may be underassessed. You may appeal your assessment to the Board of Review. If you believe your property's fair cash value is incorrect or that the equalized assessed valuation is not uniform with other comparable properties in the same neighborhood, the following steps should be taken:

Contact your township assessor's office to review the assessment.

Questions about these valuations for: **Blue Ridge Township, Goose Creek Township, Sangamon Township, or Willow Branch Township** should be directed to: **Scott Whitehouse (309)928-3601** Office Hours are: By Appointment Only

Questions about these valuations for **Monticello Township** should be directed to: **Lori Wichus (217)762-2818** or send email to assessor05@yahoo.com Office Hours are: By Appointment Only

If not satisfied with the assessor review, taxpayers may file a complaint with the Piatt County Board of Review. For complaint forms, instructions, and the Rules and Procedures of the Board of Review, visit <https://piatt.gov/assessor> or call (217)762-4266 or visit the office at 101 W. Washington St. Monticello, IL. 61856 for more information.

The final filing deadline for your township will be November 13th, 2023. After this date, the Board of Review is prohibited by law from accepting assessment complaints for properties in this township. For more information on complaint deadlines, call (217)762-4266.

Your property may be eligible for homestead exemptions, which can reduce your property's taxable assessment. For more information on homestead exemptions, call (217)762-4266 or visit <https://piatt.gov/assessor>

Your property tax bill will be calculated as follows: Final Equalized Assessed Value minus any Exemptions = Taxable Assessment Taxable Assessment multiplied by Current Tax Rate = Total Tax Bill

All equalized assessed valuations are subject to further equalization and revision by the Piatt County Board of Review as well as equalization by the Illinois Department of Revenue.
