Directors Report

The public hearing for the hazard mitigation report will be held in November. It will then be complete until it is time to start planning again in 4 years. Bross doesn't want it to lapse again. Bross attended a Piatt County firefighter association meeting. Mansfield has acquired a smoke house, and Bross would like to see it used at different festivals, etc. He was able to sell the unused light bar to the Deland Fire Department for \$300. Most of the other equipment is obsolete.

Bross reviewed his budget which included \$33,502 in grant money which will not be received. He asked the committee for guidance on revising the budget to reflect this. A decision will need to be reached about HyperReach before the renewal date.

The next meeting will be November 16, 2022.

Motion: Jones made motion, seconded by Spencer to adjourn. On voice vote, all in favor, and the motion carried. The meeting was adjourned at 9:39 a.m.

Respectfully submitted,

Keri Nusbaum
Piatt County Zoning Officer/Secretary to the County Board
